Please consider Acer when making corporate and government/education bids. The planned lifecycle of Acer notebook platforms is one year, with each model within a platform being available for approximately one quarter.

SRP = Suggested Reseller Price

Pricing is subject to change without notice. Prices shown do not include tax or shipping.

¹ The alternate operating system can be installed in place of, not in addition to, the pre-loaded operating system.

² When referring to storage capacity, GB stands for one billion bytes. Some utilities may indicate varying storage capacities. Total user-accessible capacity may vary depending on operating environments.

³ Price includes temporary rebate, effective through February 28, 2010.
